Keynote Speaker, Executive Speech Coach, Sales Presentation Trainer,
Online Learning Expert

She arrived in San Francisco from England at age 20 with no job or contacts and little money. Through her energy, enthusiasm, and drive, Patricia became a very successful entrepreneur. She started speaking to promote her business which led into her next successful career as a keynote speaker.

For over 35 years she has delighted audiences and meeting planners with her captivating keynote speeches and interactive breakout sessions. Most clients who engage her as a keynote speaker also book her to deliver multiple breakout sessions at the same conference.

For over 25 years Patricia Fripp has helped executives, sales teams, engineers, financial advisers, and leaders make more sales, drive business results, and expand their influence. *Kiplinger's Personal Finance* wrote that the sixth best investment in your career is to learn presentation skills from Patricia Fripp.

Patricia has won or been awarded these designations by the National Speakers Association: Certified Speaking Professional (CSP), CPAE, Hall of Fame keynote speaker, and the Cavett Award (considered the Oscar of speaking). Named "One of the 10 Most Electrifying Speakers in North America" by *Meetings and Conventions* magazine, Patricia delivers high-content, entertaining, dramatically memorable presentations.
