

Presales Introduction Jonny Steindal

To demonstrate how ABC company can transform your entire financial system from record to report...

It is my pleasure to introduce to you one of our brilliant **Team-Leaders for EMEA MM Pre-Sales.**

You are in good hands.

Jonny is an experienced Team Leader with an impressive history of working in the computer software industry. Skilled in Business Process, Customer Relationship Management (CRM), Account Management, Solution Selling, and Outsourcing.

He helps our customers leverage technology to improve their record-to-report processes with Trintech's ADRA.

In preparation for your demo, Jonny has become very familiar with ABC's environment and your specific interests.

We have set aside an hour for this presentation; however, Jonny is prepared to answer every question you have to help you make your decision.

Please sit back and feel confident there is no question you that Jonny will not be able to answer to your satisfaction.

Jonny...over to you
