

Introduction to Pre-Sales Solutions Engineers **Senior Solutions Manager, Tim Colleran.**

To demonstrate how ABC company can transform your entire financial system from record to report...

It is my pleasure to introduce to you one of our brilliant **Senior Solutions Manager, Tim Colleran.**

You are in good hands. Tim is a CPA who began his career as an Internal Audit Coordinator and ERP analyst.

With 10 years in pre-sales, he is passionate about helping our customers leverage technology to improve their record-to-report processes with Trintech's Cadnecy.

In preparation for your demo, Tim has become very familiar with ABC's environment and your specific interests.

We have set aside an hour for this presentation; however, Tim is prepared to answer every question you have to help you make your decision.

Please sit back and be amazed.

Tim...over to you....
